Big Island, Hawaii

KONA REEF

Relax under tropic skies on the island of Hawaii.

On the ocean's edge, just south of Kona Village lies the Kona Reef. The Big Island's sun coast is a perfect starting point to explore the wonders of the island of Hawaii.

Walk to quaint, historic Kailua-Kona; or drive to one of the many beautiful small towns that make up the Big Island of Hawaii.

And at the day's end, sit back and watch the sun color the sky.

Every fully appointed one and two bedroom suite features a full kitchen, air conditioning, color cable television and a private lanai.

Amenities include a swimming pool, sun deck, barbecue area and spa.

Enjoy the diversity of macadamia nut farms, historic churches, dramatic coastlines and the City of Refuge. And, discover a variety of shopping, dining and sightseeing in Kona town.
